Squeegee Width	1250mm	Water Gun Motor	120W
Cleaning Efficiency	10000m ² /h	Weight	280Kg
Battery Capacity	100Ah/m	Working Time	3-4h
Voltage	24V	Size	1640x1250x1440mm

Accessories & Their Importance

The DRO-200T is designed for powerful and efficient cleaning, and with the right accessories, it becomes even more versatile, adaptable, and user-friendly. These accessories enhance cleaning performance, improve water and detergent efficiency, increase operator comfort, and extend the machine's lifespan, ensuring maximum productivity and cost-effectiveness.

Welt design

Effortlessly Clean Floor Stains Without Leaving Any Spots or Residue

Multi-angle collision wheel

Multi-angle protection for machine safety

The body thickness is 10mm

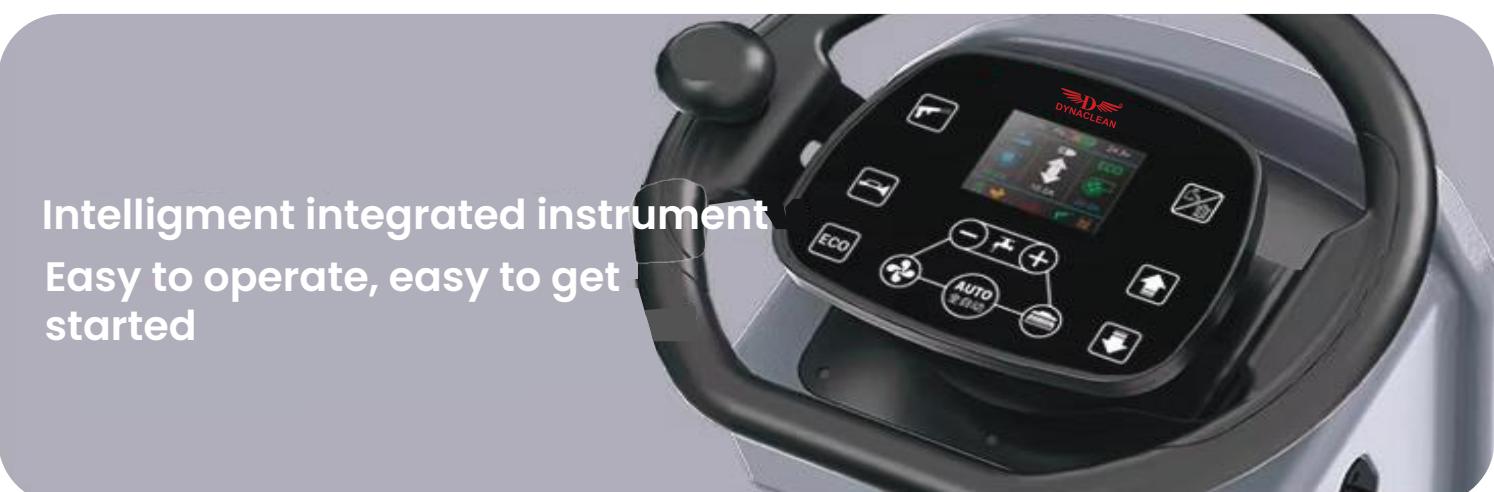

High Impact Resistance & Extended Durability for Long-Lasting Performance

10mm

Mosaic liquid crystal display

Scratch resistant, liquid level at a glance

Intelligent integrated instrument

Easy to operate, easy to get started

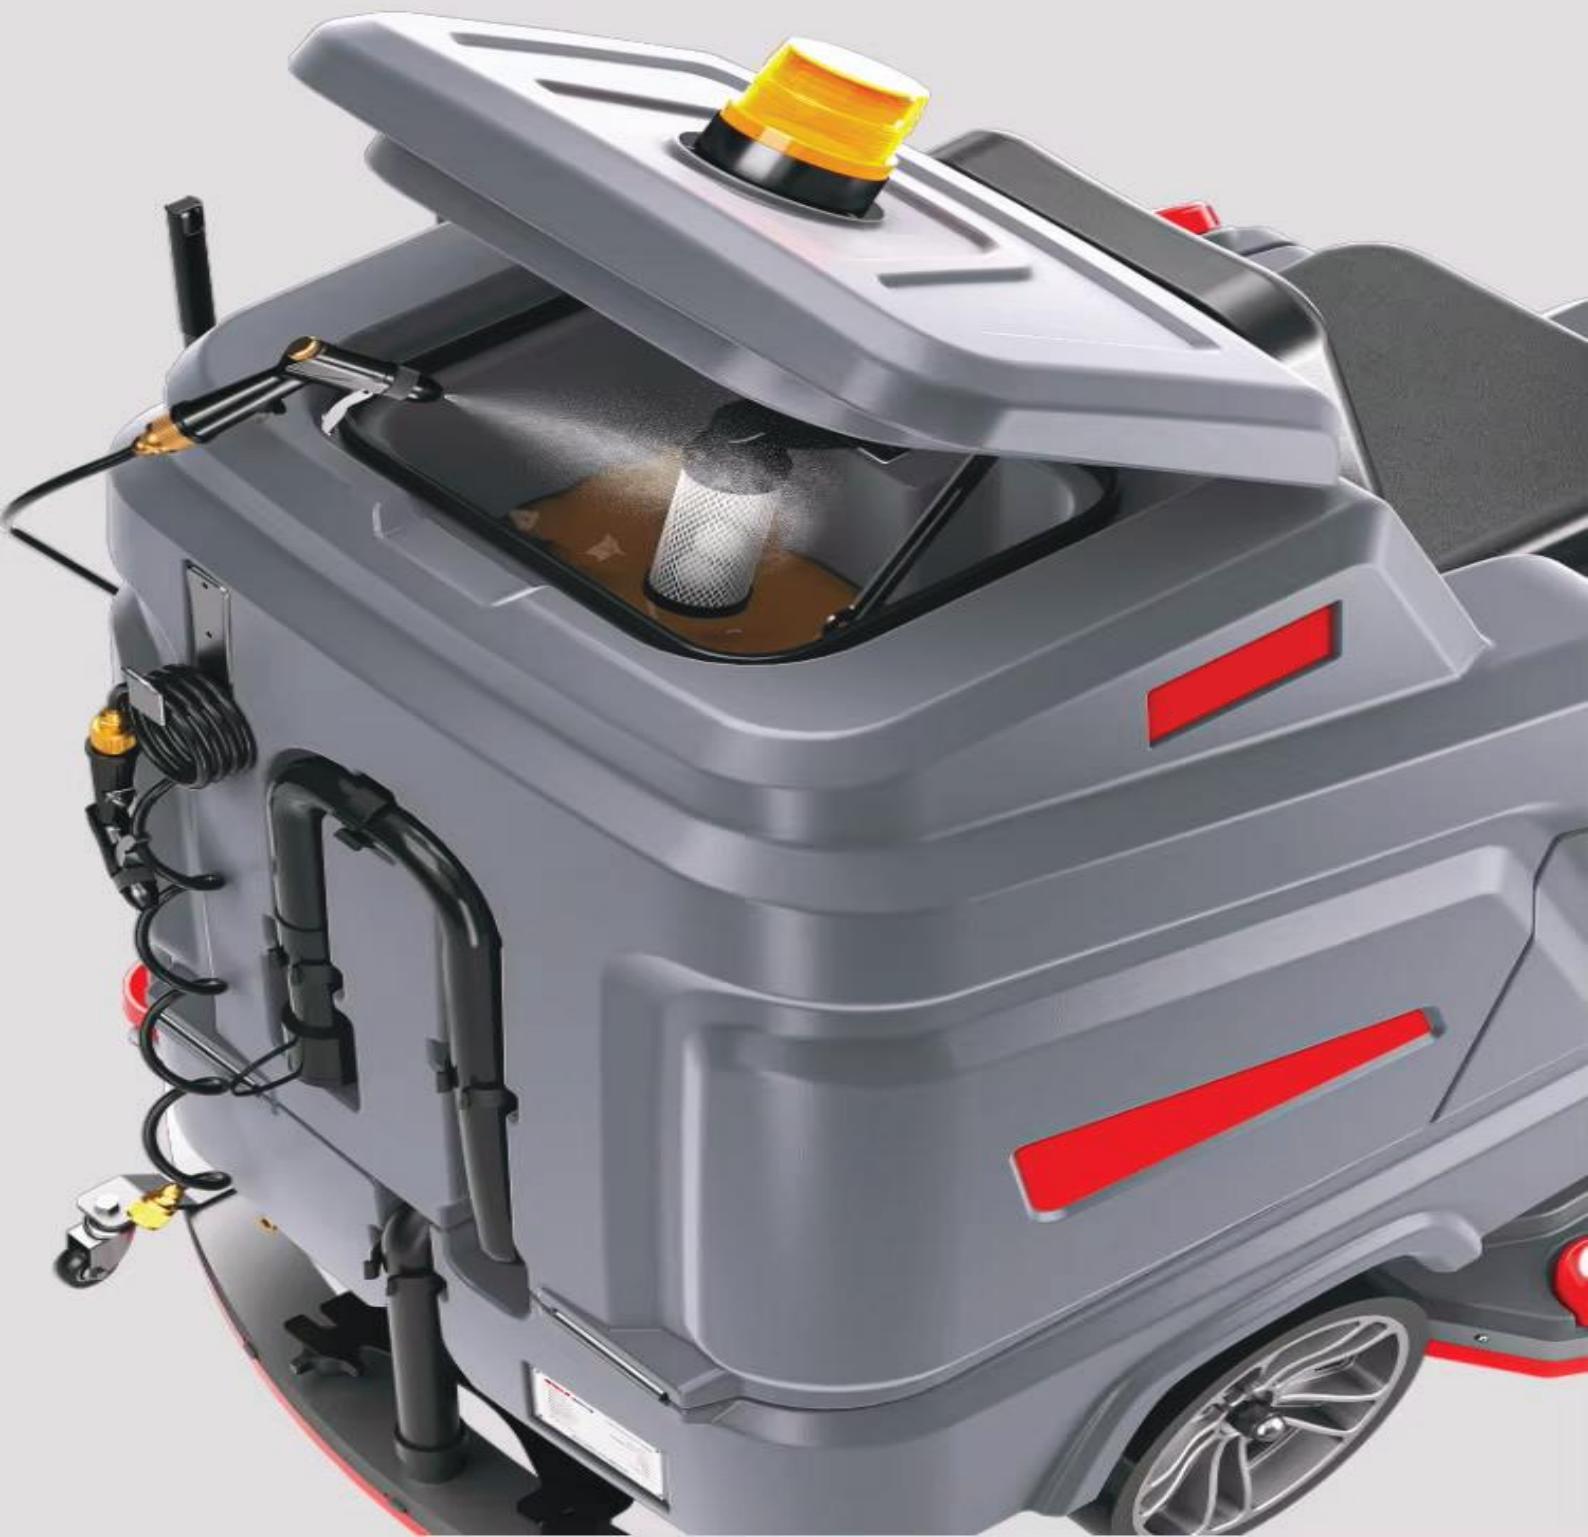

Portable sewage

Easy discharge of sewage, improve cleaning efficiency

Selecting the right accessories for the DRO-200T Ride-On Scrubber Drier ensures higher efficiency, better water and detergent management, enhanced operator comfort, and long-term cost savings. Whether for industrial warehouses, commercial spaces, or large public areas, these accessories help customize your scrubber for optimal cleaning performance in any environment.

Strong and Efficient Tank for Reliable Cleaning

A large-capacity tank reduces refills and emptying, ensuring longer, uninterrupted cleaning cycles and enhanced productivity.

Cleaning Kits: Enhance Efficiency & Performance

A well-equipped cleaning kit ensures faster, deeper, and more effective cleaning with improved dust control and hygiene.

1. Broom and dustpan /Optional

2. Mop /Optional

3. Water Gun

Cleaning Efficiency

The DRO-200T covers 1,00,000 Sq. ft per hour, cutting manual labor and costs to zero. Its Advanced Scrubbing System removes dirt, stains, and debris, while high-capacity tanks reduce refilling. User-friendly controls ensure effortless operation.

10000m²/h
