| <b>Cabin</b>            | 1 Person |                                     |                  |

# Smart Features, Superior Performance

From high-capacity lithium batteries to intelligent controls, every feature of the DRS-250T is engineered for safety, ease, and exceptional cleaning efficiency.

## 300AH lithium battery

Support tested warranty for 3 years

## Brand motor

Warranty up to one year

## Dual brake configuration

Preventing landslides is safer

## Integrated sweeping and vacuuming system

Sweep away fallen leaves and stones

## Spray dust suppression Water gun flushing

Spray water and spray without raising dust

## Simple button panel

Even illiterate people can use it

## High-Performance Motor Core

Built with precision engineering for maximum torque, durability, and energy efficiency — powering the DRS-250T with unmatched reliability.

## **300AH Lithium Battery Power**

**Long-lasting, Fast-Charging, and Maintenance-Free — Delivers Consistent Energy for Extended Cleaning Operations.**

## Easy Climb To Prevent Car Slip

Ease over speed bumps with dual mechanical and electronic brake protection.

Mechanical and electronic dual brake protection

## Water Spray Does Not Raise Dust

Spray/rinse/mist cannon multiple dust suppression options.
